

Lent 2010

Dear Families,

Saint Barnabas Parish is once again pleased to offer the following opportunity to teach our children about our faith during this reflective and prayerful season of Lent.

On **Wednesday, March 31, 2010 at 5:00 PM**, St. Barnabas will be presenting:

The Children's Stations of the Cross.

This hour and a half service will teach our children a very special way to pray and reflect on the Passion of Our Lord. We are blessed to have the beautifully carved Stations in our church serve as an inspiring visual aid for our children to learn about Christ's sacrifice for us. All children attending must be accompanied by a parent or guardian. Although this service is especially for children, **all are welcome to attend!**
